MONTH - NOVEMBER | ISSUE - 05 | YEAR - 2021

## FROM THE PRINCIPAL'S DESK

**C Ravikanth Ohal**  
Principal

**"Education is about awakening – Awakening to the power and beauty that lies within all of us"**

Education as an idea, is not just about bricks, mortar and concrete, but about building character, enriching minds and varied experiences that last a lifetime.

Shanti International School is committed to providing an integrated curriculum approach through inquiry based learning. The development of higher order thinking skills, risk taking, adaptability, cooperation, and communication techniques are fostered. We provide a platform to our students to showcase their inborn talents and we take utmost care in moulding our children as responsible global citizens.

This month students had their Diwali break in which they were given engaging assignments that enabled them to think differently and put their creative minds in action.

Students actively participated in CCA activities that focused on creativity, vocabulary and art.

### TEACHERS TRAINING FOR PROFESSIONAL GROWTH

Teacher's training plays a vital role in updating skills required for the 21st century. Education India in collaboration with Edu Buddy organised and conducted the teacher's training for the teachers of schools managed by Education India. Through this training teachers upgraded their teaching strategies and methods to be used in their regular classrooms. This will make learning easier and ensure overall development of the students.

### CO-CURRICULAR ACTIVITIES (CCA)

We at Shanti International School continuously integrate activities that stimulates holistic learning. All the activities were conducted online for students of Pre-primary to Grade 5th in front of the teacher whereas Grades 6th to 8th participated in the activities at school.

## Origami – Paper Folding – For Nursery, Jr.KG, Sr.KG

Origami is the art of paper folding. This CCA activity not only helped to stimulate listening skills, it also focussed on the fine motor skills, eye-hand coordination etc.

Transforming a piece of paper into an object was a unique exercise that revealed both the artists and engineers within the students!

**ORIGAMI (PAPER FOLDING) - NURSERY**

**ORIGAMI (PAPER FOLDING) - JR.KG**

**ORIGAMI (PAPER FOLDING) - SR.KG**

## Gather Together – Collage Making – For Grade 1st and 2nd

Students created a larger picture using small bits of paper. Our students displayed their talent in creating fruits/vegetables, family tree, birds /animals. They exhibited exemplary use of their judgment and time management skills.

### Chalk Art – For Grade 3rd and 4th

Chalk Art was an exciting competition for students as they were using a completely new medium of colours on the paper. This also focussed on fine motor skills and creative expression of the child's ideas and thoughts.

**CHALK ART - III (A) STD**

**CHALK ART - III (B) STD**

**CHALK ART - IV (A) STD**

**CHALK ART - IV (B) STD**

## Word Fun - Crossword – For Grade 5th and 6th

Crossword puzzles provide students an opportunity to develop their vocabulary, and evaluates their knowledge. This also aimed at developing student's interest towards crossword puzzles which in the long run will help them develop their language skills.

### Poster Making – For Grade 7th and 8th

Poster Making helps students to present their ideas precisely, and also provides a platform to bring awareness among their friends, parents, elders about the crucial issues prevailing in the society. This also provides students with an opportunity to learn by doing, in turn strengthening the learning. Students are able to visually represent the key points to communicate community issues and events.

### SCHOOL CELEBRATION

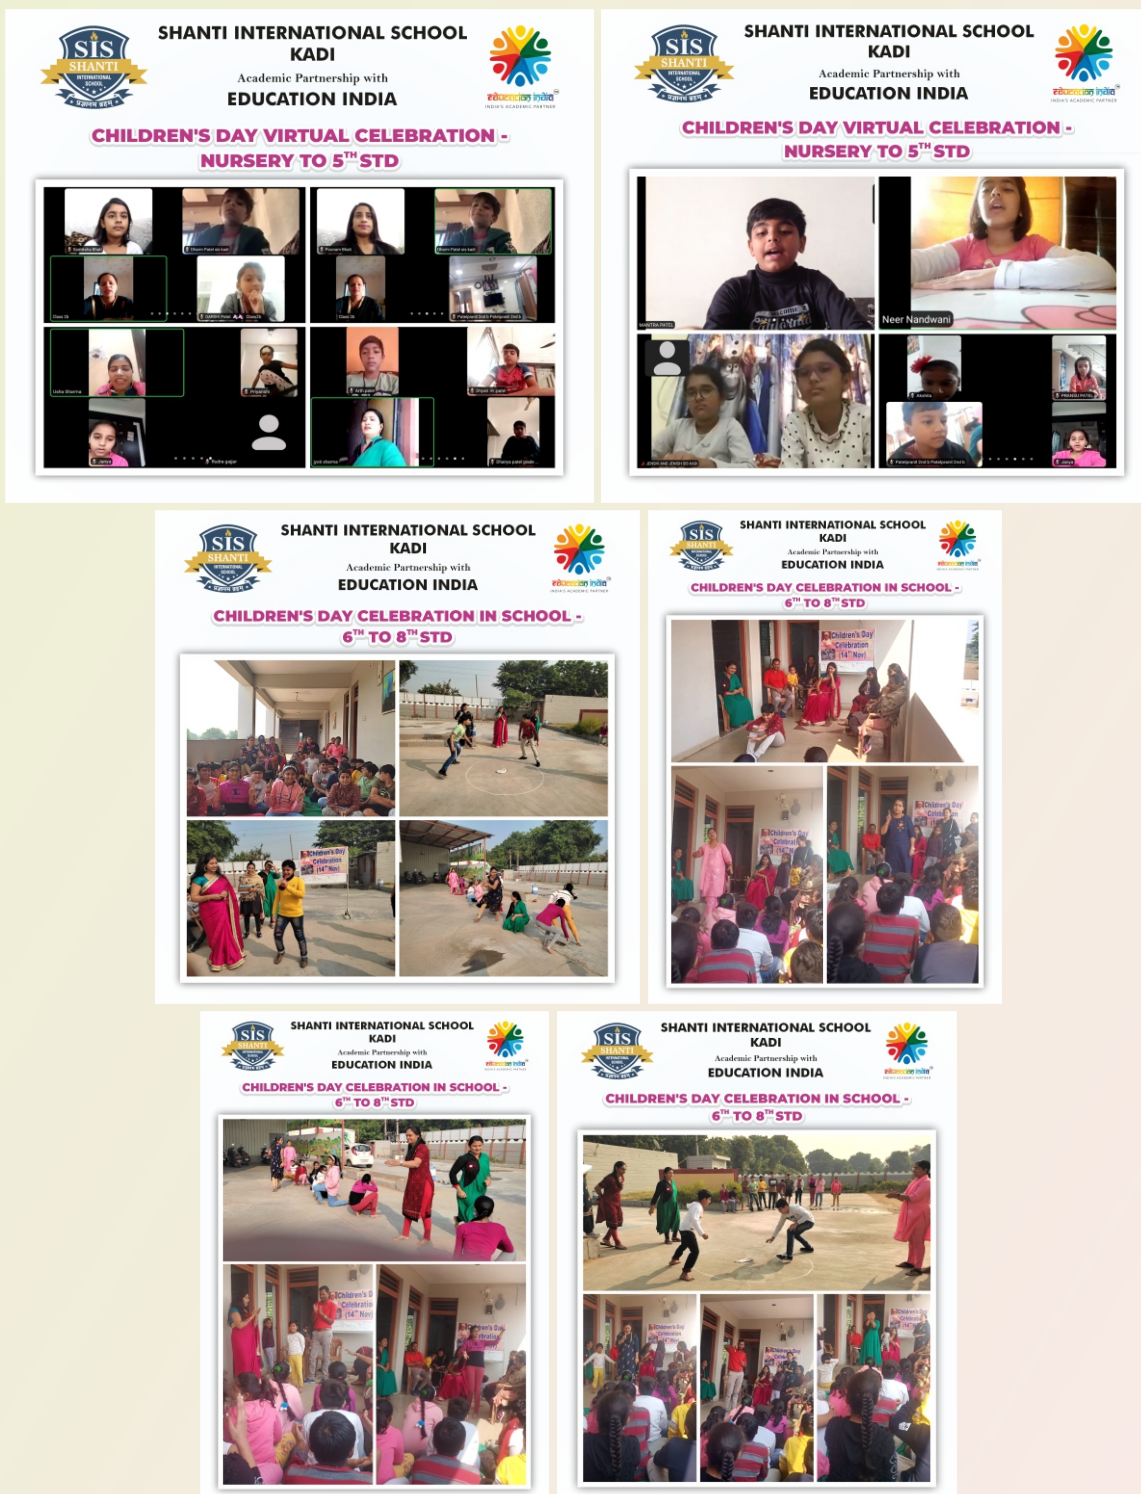

## Diwali

Diwali is the festival of lights. It celebrates the triumph of good over evil and light over darkness. Our Shantians participated in Diya Making Activity by decorating their own diyas creatively. Students also made beautiful Rangolis giving the campus the festive look. Special assembly was conducted that highlighted the ways to celebrate the festival responsibly.

### Children's Day

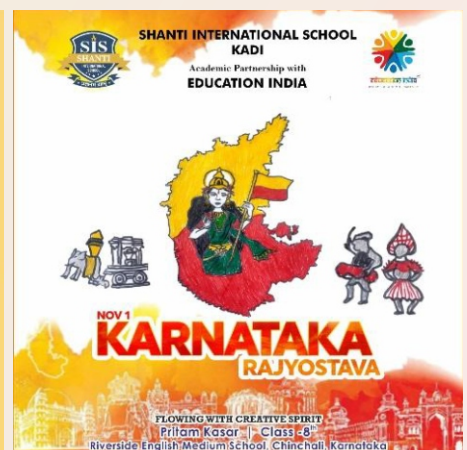

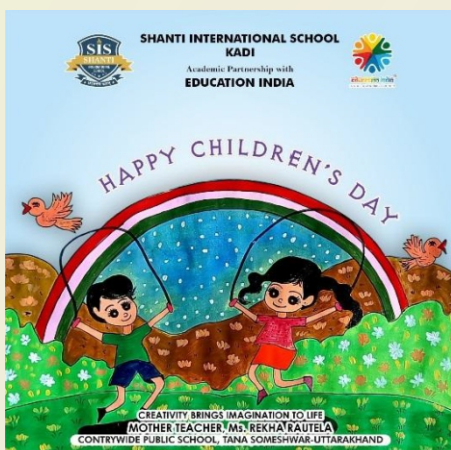

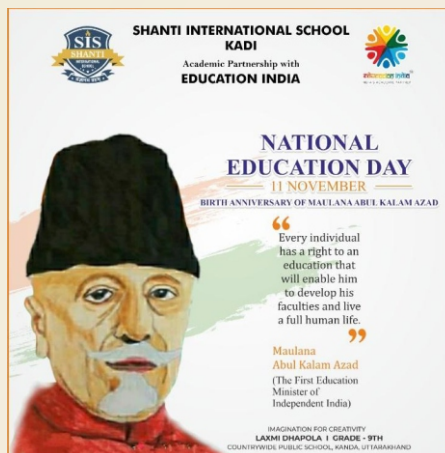

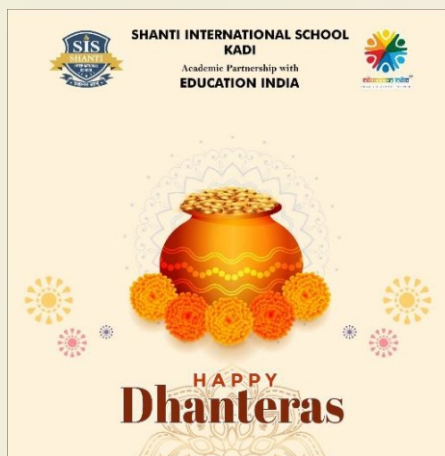

Children's Day- a day that celebrates childhood was made a memorable one for our Shantians. We celebrated Children's Day in the school premises for Grade 6-8 and online for Nursery to Grade 5. The day focused on children and their enjoyment. The day began with immense joy, enthusiasm and magnificence. The celebration included dance, skit by teachers, games and concluded with all having food together.

### SPECIAL DAYS

Special days are even more special because it helps our students to know about different celebrations and events during the particular month with each school, under the umbrella of Education India, getting a chance to present their thoughts about the day through their art work.

### STAR STUDENTS

We at SIS started awarding students with Star Student of the Month to encourage and motivate them to be: punctual, obedient and reliable and demonstrate leadership quality not only to help others but to take responsibilities in online/offline classes. Students with 100% attendance in the particular month were also given due consideration.

### STAR MENTOR

We at SIS started appreciating teachers with Star teacher of the Month to encourage and motivate them. Teacher with 100% attendance, punctual, coordination and good overall performance in teaching learning activities in the particular month were also given due consideration.

### PARENT'S TALK

We are the proud parents of Ananya Tiwari studying in class IV-A at Shanti International School Kadi, the school has a spacious and airy campus, with good Infrastructure.

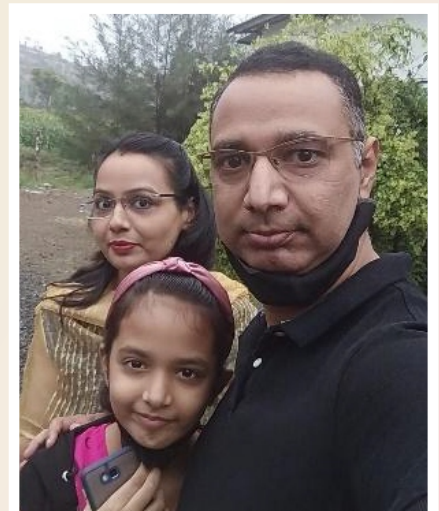

The classrooms and labs are very well equipped for proper illustrations of any concept.

The teachers are kind, supportive and very cooperative, they always use various methods to make children understand the new topic or concept. The school celebrates various festivals and important days, they also educate the children about the idea or the story behind celebrating the festival. The school organizes a number of competitions and activities to keep the creative genius in the children alive. There are also regular checking of homework and feedbacks are given to us regarding the child's growth and the areas of improvement.

Overall we are happy that the school is giving it's best to educate our child and improve her knowledge and is keeping up with our expectations.

We would like to convey our gratitude to the teachers, principal and management for providing quality education and also focusing on the overall development of our child.

Regards.

**Parents of Ananya Tiwari**

### PARENT'S TALK

We are the proud parents of Janya Dadlani studying in Grade IV-B at Shanti International School, Kadi. I would like to take this opportunity to thank all the teachers for the efforts they are putting together to teach our children, preparing lesson, making kids learn through fun, all this through distance learning. It is very difficult to teach such small kids online. However you all are making sure that each kid gets proper attention and the learning goes smoothly. I really appreciate the fact that focus is not just on finishing the syllabus but also ensuring that each kid is learning properly. You all are also making sure that kids do eye exercises during the class to reduce the stress. It is really commendable. I am grateful to all of you for providing such a warm environment full of learning in the school. A special thanks to our principal sir for always being available whenever I need his help. All teachers are very good and really helpful my daughter has learnt a lot of things.

I am very happy with school teachers and staff.

**Parents of  
Janya Dadlani**

### TEACHER'S TALK

I, Deepika Gohil, mentor of Nursery class at Shanti International School, Kadi

I feel happy that I am associated with such great organization which not only works for the betterment of the students but each and every one who is contributing even at a small scale. Covid times was a big barrier in teaching, it created a gap in students' learning but it couldn't stop SIS-Kadi to touch the lives of the young minds with the innovative fun filled activities used for teaching. Students enjoyed and learnt many things in fun way. Parents had to sit with the young children but they also found all the activities and teaching a great experience. This way, they also lived their childhood again. On this platform I would like to thank all the parents of Nursery class for their constant support. A team can't achieve any mission without a great leader. We are proud that we are working with a team of great leaders at SIS-Kadi who are navigating the ship in the right direction. I am grateful that I am working with such an organization which provides constant support and guidance to the team.

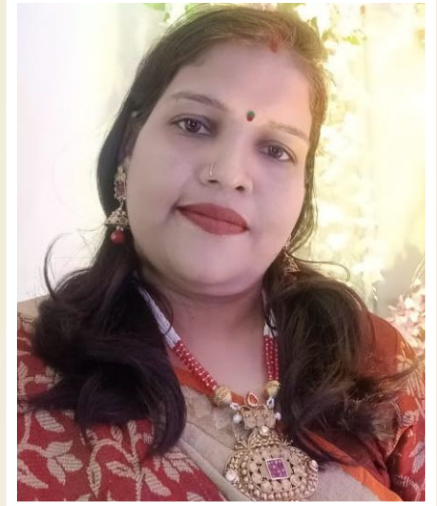

Thank you!

**Deepika Gohil**  
Nursery Class Mentor

### TEACHER'S TALK

I, Meenu Modi working as a Social Studies Mentor at Shanti International School, Kadi Campus. I feel immense pleasure to be associated with SIS Kadi managed by Education India. I have learnt and still learning so many new things over here. I'm have being associated with this institution for last two years which helps me to gain good experience with great team work and uplifting environment, where management is clear with their rules and regulations which is equal for all. I feel proud that we enrolled our children in this institution for their all-round development. I appreciate the management which plans and executes the activities for the growth of the children to cope with the skills useful in the 21st century. I find the support which requires from my fellow colleagues who always helps me which shows the team spirit. Our Principal Sir - Mr.Ravikanth Ohal is a true leader. His vision and determination inspires us to always give our best and best. Once again I would like to express my gratitude and feel honoured to be a part of Shanti International School, Kadi.
