MONTH - SEPTEMBER | ISSUE - 05 | YEAR - 2022

FROM THE SENIOR PRINCIPAL'S DESK

**Mrs. Shweta S Shivhare**  
Sr. Principal

**"Success is the sum of small efforts, repeated day in and day out" – Robert Collier**

The September month saw out student's council members fervently planning the Teachers Day programme to pay gratitude to their teachers. They put up a memorable show for all their teachers. The programme were excellent and we all felt fortunate to be amidst these children. We awarded to all the teachers with a memento and a bouquet. I'm so proud our student leaders who motivated all their juniors and peers by delivering speeches on this occasion.

The Mid-Term Assessment are over and I'm sure the children are going to enjoy their much needed Dussehra vacation with family and friends. It is always good to maintain a balance with enough time being devoted to hobbies, games, reading and much such activities that promote holistic development. So do enjoy this time as a family to forge stronger bonds by immersing as a family in fun-filled and fulfilling experiences.

We will continue to strive harder, to soar higher and leave no stone unturned in our pursuit of excellence.

Wishing you a month steeped in festivities and celebrations.....

### FROM THE PRINCIPAL'S DESK

**Mr. C Ravikanth Ohal**  
Principal

**“Education is not the learning of facts, but the training of the mind to think.”  
- Albert Einstein**

I believe in upholding high standards with an absolute commitment to strive to understand and improve the educational process, using team strategies, while wholly centering on student achievement.

Our staff fruitfully employ two diverse strategies that are of Love and Logic to foster a positive learning environment for all our students. Love and Logic may seem like two contrasting forces. While love helps nurture trusting relationships, where students feel respected, appreciated and loved by the teachers, logic helps develop in students personal responsibility, self-control, good decision making skills self-confidence, and character building with high moral values.

Your child's learning involves and revolves around an effective partnership between home & school. We know the stronger the partnership is the more your child will benefit.

Whilst we know that the information here will give you answers to some of your questions, we also know that learning is social. Students are engaged in meaningful learning and the staff members are valued and appreciated for their efforts.

September month started with celebrations, activities and assessment which helps the students to show their gratitude to the elders such as their grandparents and teachers. Students have shown us their confidence and calibre during revision period by revising the concepts thoroughly and presented their exam papers wisely.

### CELEBRATIONS & ACTIVITIES

## 1. Teachers Day

Teaching is the most influential job in the world. Teachers are known to shape the mind of youth and without knowledge no one can exist in this world. Teacher imparts good value in children and turn them into responsible citizens. In India, we celebrate this day on the birthday (5th September) of Dr. Sarvepalli Radhakrishnan.

To express the gratitude towards teachers, a wide range of activities were organised on Teacher's Day with incredible gusto and zeal by the students of SIS Kadi. Fun filled games and many scintillating dance performances were planned by the students which highlighted the heart-warming relationship between a teacher and a student.

All the teachers applauded overwhelming zeal and enthusiasm of the students for making such a glorious event to cherish forever.

## 2. Grand Parents Day

Grandparents are a family's greatest treasure, the founders of a loving legacy, the greatest storytellers, the keepers of traditions. The proclamation, establishing National Grandparents Day stated three distinct purposes: To honour grandparents; to give grandparents an opportunity to show love for their children's children; to help children become aware of strength, information and the guidance older people can offer.

"Grandparents can be very special resources. Just being close to them reassures a child, without words, about change and continuity, about what went before and what will come after."

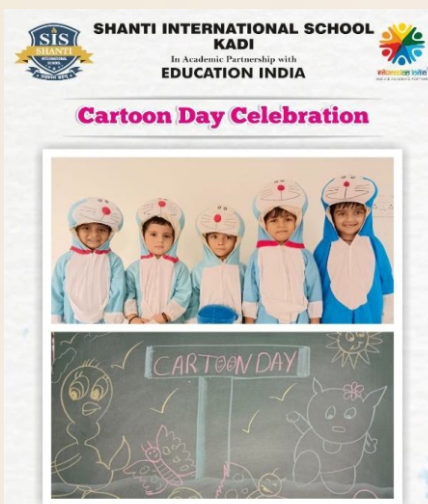

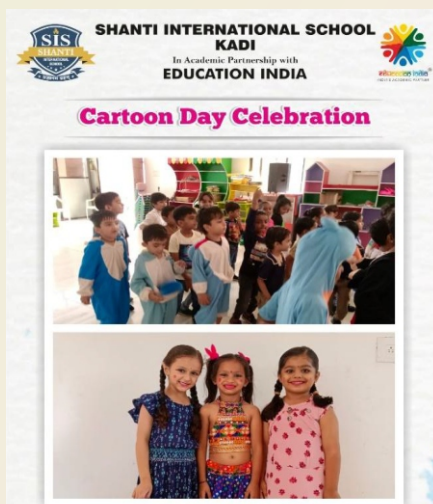

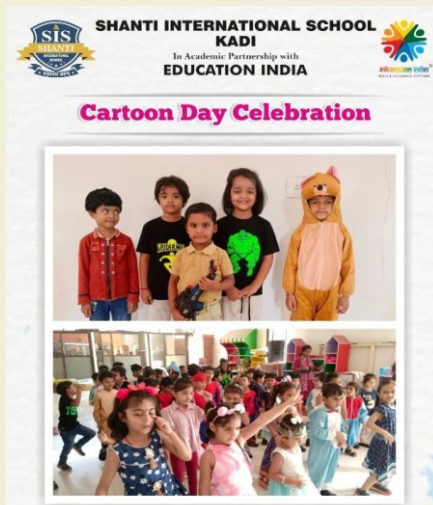

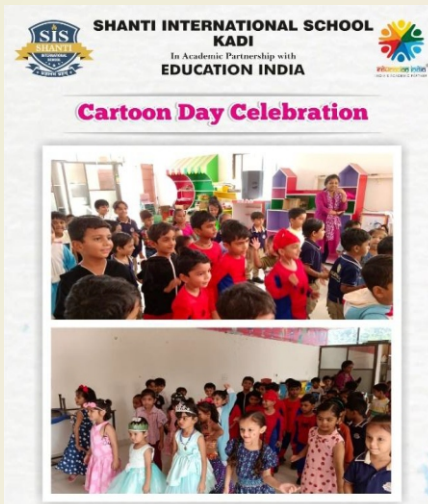

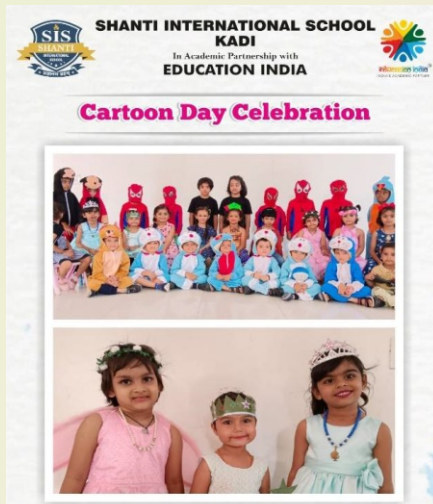

Students and staff of SIS Kadi visited old age home and celebrated Grandparents Day especially with them.

### 3. International Cartoons Day

Since 2017 18th September is celebrated as International Cartoon Day to show solidarity for freedom of speech. Drawing cartoon is not a crime. Our little Shantians were dressed up in the different cartoons character they loved and shown the gratitude for making their day and childhood a memorable one. They danced together, watched movie, portrayed the dialogues and imitated the cartoon character they loved.

### 4. Hindi Diwas

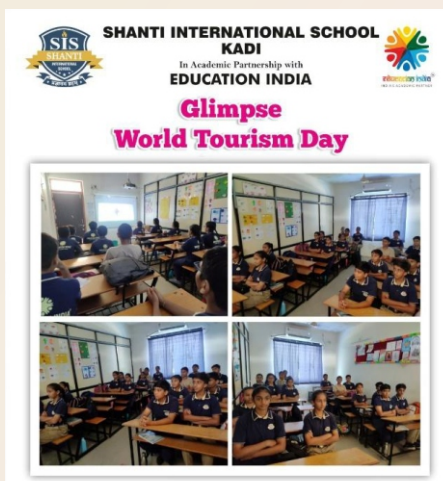

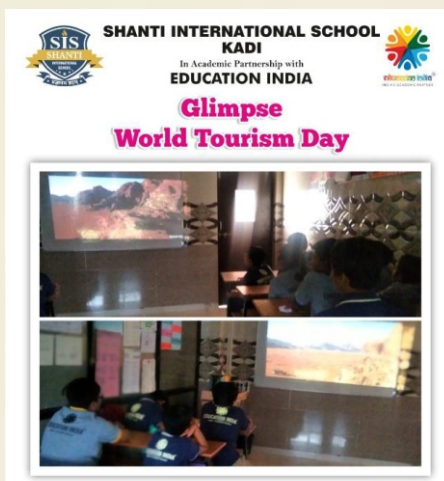

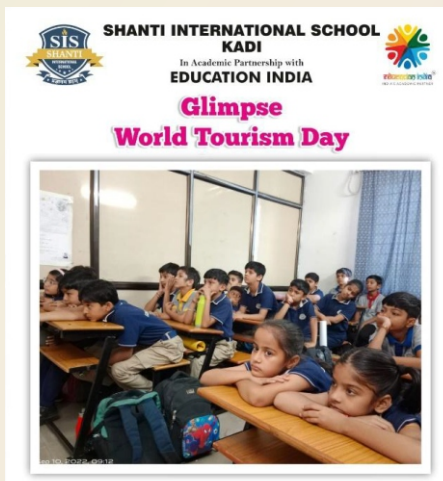

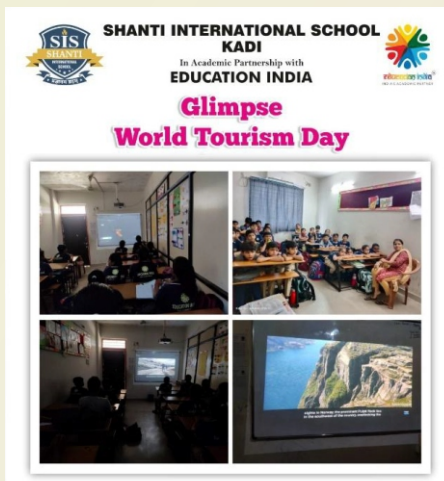

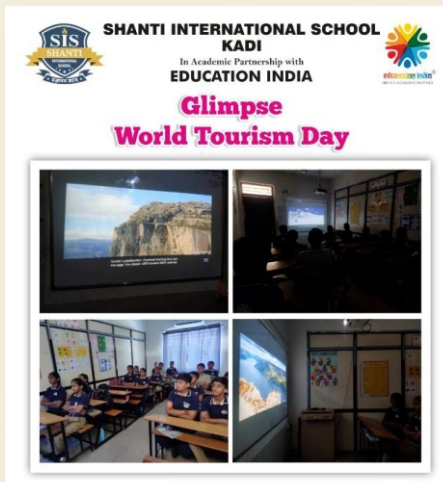

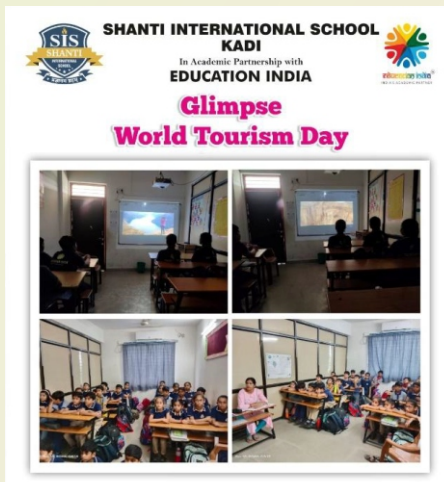

Hindi Diwas or National Hindi Day is celebrated every year on 14th September to mark the adaptation of Hindi as the official language by the Constituent Assembly which came into effect on 14th September, 1949. One of the reasons behind celebrating this day is to prevent the increasing trend of the English language in the nation and the neglect of Hindi. It is to be noted that Mahatma Gandhi called Hindi the language of the masses. The Father of the Nation also talked about making Hindi the national language of the nation.

### 5. World Tourism Day

World Tourism Day is commemorated each year on 27 September to foster awareness among the international community of the importance of tourism and its social, cultural, political and economic value.

We at SIS Kadi have arranged the screening of Virtual Tour for students to help them understand the importance of tourism and the places to visit to feel relaxed and rejuvenate ourselves during vacation with family members to spend the quality time with all.

## 6. Navratri Celebration – Garba Night

### 7. Rhymes Singing Competition – (Pre-Primary)

Our little Shantians have recited their favourite rhymes for the Rhymes Singing Competition with appropriate costumes and props with full of confidence and facial expressions while singing the rhymes....

## 8. Mid-Term Assessment

Mid-Term Assessment was conducted from September 19th to 27th September for all the grades with proper preparation and revision done prior to the exams scheduled. Also the evaluation of the answer scripts begins followed by the exams.

## 9. Appreciation and Recognition

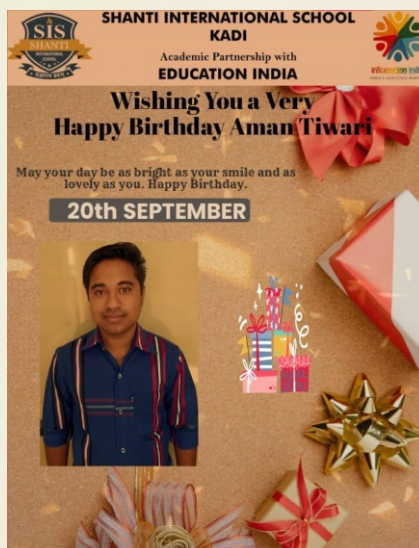

Mr. Maulik Goswami – Music mentor who has participated in the Kala Mahakumbh Competition conducted by the Gujarat Government has secured the 1st place in the District Level Signing Competition under the category 'C'

## 10. Birthday Celebration

Our mentors who work tirelessly were celebrated their birthdays during this month. Shanti International School Kadi wishes them all a wonderful year ahead.

### PARENT'S TALK

**Mr. Pankaj Dubey & Mrs Sandhya Dubey  
(Medha Dubey – Grade VII and  
Navya Dubey – Grade IV)**

Shanti International School Kadi campus is putting their sincere efforts to bring out their best in the children be it curricular and co-curricular activities such as sports, games, competitions, celebration. The closer to the outside world and a platform which give to the children where they can explore their creativity at home or at school, such activities helps them to develop skills which is really boosting the confidence in students.

The best part of SIS is the curriculum with a perfect blend of culture and traditions apart from regular academics which helps an individuals to inculcate values in their life. We are always thrilled to see the vibrant teachers and their work.

Hope for the same for the upcoming years.....

Regards

Pankaj Dube

### PARENT'S TALK

### **Mr. Premal Parekh & Mrs Hetal Ben Parekh (Paavane Parekh – Grade 1A)**

Respected Sir,  
Prostrate.

In your school, my daughter Parekh Paavane PremalKumar studying in class 1st-A. In the beginning, in first parents meeting I understood your school plan and the curriculum very well. In your school, teachers teach well. Also, in the teacher parent meeting, the class teacher Resp. Manjula madam gives me a detailed understanding about my daughter's studies. She explains beautifully the mistakes of my child makes and the things needed to correct them. I am thankful to her. Her work is commendable.

Along with this, many co-curricular activities are also held in your school which is a matter of joy. Whenever I met Resp. Ashwini madam regarding any problem, she also tries hard to solve the problem.

Along with this, I also expect from you that the garden should be developed, sports equipment should be increased for children and your hall should be made up-to-date with more facilities. I hope you and management will definitely work on it.

Best wishes for continued progress in your school.

Yours faithfully  
Premal Parekh

### PARENT'S TALK

**Mr. Dipeshkumar Zala & Mrs. Nilam Zala  
(Yashvee Zala – Nursery)**

Our daughter Baby Yashvee Zala is Studying in Nursery class at Shanti International School, Kadi.

It's almost 6 months since she joined the school and we are extremely happy with progress of our child. Her class teacher Ms. Dipika Gohil took personal care of her & other students. Overall school environment is enriching and the credit goes to Shanti International School, Kadi Management.

### TEACHER'S TALK

**Aman Tiwari**

(Maths and Science Mentor)

My name is Tiwari Aman Kumar .I have been teaching Science and Maths at SIS Kadi Campus school from the day I joined I have been kept in this school as a family member. From the principal to the trustees and the teacher staff, an unbreakable relationship has been formed. The environment of this school is excellent for the teachers as well as the students, because of the teaching quality and the quality of the teachers, my brother's daughter is also a student of this school. I often hear from her that my teacher explained to me today in such a way that the whole concept was understood in one go. The rules and discipline of this school is also commendable. What I have learned in this school is the invaluable asset of my life and I am learning more in this wonderful environment. SIS has been an integral part of my entire professional career. SIS is the best educational institute for students and teachers.

### TEACHER'S TALK

**Radhika Patel**  
(Grade 1B Mother Teacher)

I am Radhika Patel mentor of first class working at Shanti international School, Kadi. I feel immense pleasure to tell that I am a part of such a wonderful organisation .I have learned and still learning so many new things over here .I have being associated with this institution for last one year which helped me to gain good experience. The environment of this school is excellent for teachers as well as the students. My daughter is also a student of this school. Our school principal and director sir is very supportive. On this platform, I would also like to thank to all the parents of 1st class for that constant support. SIS have been an internal part of my entire professional career. Once again I would like to express my gratitude and feel honoured to be the part of this Shanti International School, Kadi.  
Thank you.

### TEACHER'S TALK

**Ranjeeta Pannu**  
(Art and Craft cum Social Mentor)

"The goal of early childhood education should be to activate the child's own natural desire to learn"

I am Mrs Ranjeeta Pannu working as a Social and Art and Craft teacher at Shanti International School, Kadi.

I am very happy to have availed the opportunity of writing this message. I am proud of this school for providing versatile teacher and modern technology. Many who are aware of the school's efforts for quality educations are proud of this school. Feeling proud is a matter of pride for all. The management always keeps keen watch on all concerned through strict instructions and sober advice.

I am extremely sanguine that SIS, Kadi has created an atmosphere for the little stars to shine day and night like decorated knights.

I have great regards and respect

Thank you
