MONTH - NOVEMBER & DECEMBER | ISSUE - 05 | YEAR - 2022

FROM THE SENIOR PRINCIPAL'S DESK

Mrs. Shweta S Shivhare
Sr. Principal

“Arise, awake and don't stop till the goal is reached” – Swami Vivekananda

As we have already cruised into the last month of the year. During the month of November and December we have conducted lot of activities, educational field trip, annual day, celebrations to inculcate values among our young learners. Annual Day is a prestigious and momentous event for every school. Due to which our students and teachers had a busy schedule and observed busy month during November and December. It has been a month full of excitement as our students from Nursery to Grade VIII put up their lovely performances as a part of their Annual Day. All the students participated with equal level of enthusiasm and dedication. Their energy and confidence was quite evident and noticed by one and all. I congratulate the whole team of SIS, Parents for their immense encouragement and support. I firmly believe that parents are their child's first and most important teacher, parents play a vital role in the education of their children. We happily welcome all our parents to take an active role in the education of their children and to be the active participants in our school life. Get to know the staff, especially the child's teachers and assist where you can so we can work together in the interests of everyone. I am eager to work with our parent community in supporting their children in their education. We always strive to build strong parent teacher relationship which is very important for academic success of our students. I would like the parents to know that my door is always open to discuss any concerns, questions or ideas you may have regarding your child's education.

FROM THE PRINCIPAL'S DESK

Mr. C Ravikanth Ohal

Educational Field Trip – Science City Ahmedabad

The school organized a visit to the Science City, Ahmedabad for students of Classes III and VIII. They witnessed experience the 4D show and Thriller Rides, Robotic Gallery, Planet Earth, Hall of Space and Hall of Science, Nature Park, Aquatic Gallery which was very enthralling. The experiments displayed in the gallery helped the students to learn the principles of science. This educational trip helped to enhance the scientific interest of the students. It was an enriching and enjoyable experience both for the teachers as well as the students.

Children's Day Celebration

Children's Day celebration was being conducted at Shanti International School Kadi where teachers made special crowns and badges to make their students feel so special and even they danced like small children.

Teachers along with the students planned the pot luck lunch to celebrate this day.

World Kindness Day Activity

The purpose of World Kindness Day is "to highlight good deeds in the community focusing on the positive power and the common thread of kindness, which binds us."

Our tiny tots have made painting on pebbles and also made patterns using papers to show thankful and kindness to their mentors for imparting good values and knowledge and always helps them in every situation.

Human Rights Day

'Dignity, Freedom and Justice for All'

World Human Rights Day was celebrated at Shanti International School Kadi by Grade 7 girls. Human Rights Day is observed every year on 10 December – the day on which the United Nations General Assembly adopted, in 1948, the Universal Declaration of Human Rights. The Universal Declaration of Human Rights empowers us all. The principles enshrined in the Declaration are as relevant today as they were in 1948. We need to stand up for our own rights and those of others. We can take action in our own daily lives, to uphold the rights that protect us all and thereby promote the kinship of all human beings.

Annual Day – Bollywood Hungama

Annual Day forms an integral part of our school activities. It is an occasion of celebration, felicitation, feast and festivity when students present not only their wonderful performances but also receive honours for their curricular and co-curricular achievements.

The Annual Day 2022 was woven around the theme 'Bollywood Hungama'.

Sr. Principal Mrs. Shweta Gupta extended a warm welcome to all the dignitaries present. Talking of the theme of the Cultural Show – Bollywood Hungama, a tribute to all the actors for contributing to Indian cinema. The Cultural Show held the audience in awe and left them enlightened as the show culminated.

Sr. Principal presented the Annual Report. She read out the achievements of the school – both Academic and Co-curricular.

Christmas Celebration

Christmas is not a time nor a season, but a state of mind. To cherish peace and goodwill, to be plenteous in mercy, is to have the real spirit of Christmas.

It is the season for giving and remembering and sharing the love. Christmas is a time when we take stock of our blessings and reach out to those who have touched our lives.

Christmas is the season for peace, joy and fellowship with family and friends.

Mathematics Day

National Mathematics Day Celebration 2022 Mathematics is not about numbers, equations, computations or algorithms, it is about understanding. Different activities were organised for all the students from Nursery to VIII. The children participated enthusiastically in every activity and learned the tricks of Maths in a fun way. Hence, Mathematics is the most beautiful and most powerful creation of human spirit and "Maths is Omnipresent".

Consumer Rights Day

A consumer has the right to be aware of their rights. This is important in order to protect them against market abuses and social injustices. This day is celebrated as a means of raising global awareness about consumer rights and needs, students of Shanti International School Kadi enacted a role play to bring awareness among our young learners as Consumer remains the most neglected being in the scarcity ridden society. A business unit cannot ignore its consumers if it wants to flourish. But even after many Acts and Rules, consumers in India suffer from various problems.

Farmers Day

National Farmers' Day is observed to honour and acknowledge the contribution of farmers in our lives.

The day is also celebrated to mark the birth anniversary Shri Choudhary Charan Singh, the fifth Prime Minister of India.

Students of Grade 3A, 4A and 4B visited nearby agricultural fields and interacted with the farmers and appreciated their efforts for cultivation of different crops seasonally.

Such activities helps the students in bringing awareness among our young learners regarding the importance of farmers and their efforts.

Parents Teachers Meeting (PTM)

The main objective of the meeting was to create a common platform, where teacher and parents come together to discuss student's performance and devise ways to enrich their learning experience.

The teachers briefed the parents about their ward's performance. Together they identified the areas of strength and weakness of the child and sorted out ways to boost the child's performance.

Parents were encouraged to appreciate student's participation in all academic activities. This helped to create the necessary consciousness among parents to stimulate their interest in the students and the school. They gave their view points and suggestions to teachers regarding the school and its development.

The meeting helped to create better understanding between parents and teachers and build harmonious relationship between the school and the community

PARENT'S TALK

Vipul Patel & Divya Patel
(Parents of Hriday Patel Sr.KG)

I am so glad in making my opinion of the "Shanti International School" as it has been a great time for my child Hriday Patel who is studying in Sr. KG.

I have noticed a great level of confidence in my son each and every day in both respects personality improvement, discipline as well as in academic skills.

I wonder how a school can change the shape of a child in such a short time. Not only to my child but as a parent it brought a lot of respect from neighbours and relatives with whom my child speaks fluent English.

While joining here he was hesitate while speaking on stage a little bit, now I find him very confident throughout the year. As parents we found it worthy for the money we spend for his education.

I am quite satisfied with the innovative approaches by the "Shanti International School" to impart true knowledge in my kids. I strongly agreed with "Shanti International School" that "Every child is unique"& you are really taking care for that.

I am thankful to the Principal, Teachers, and staff for bringing my son to a good shape.

Thank You!!!!

PARENT'S TALK

**Rajdipsinh Sodhaparmar and Vaishali Sodhaparmar
(Parents of Kavya Sodhaparmar – Sr.KG)**

We are the parents of Kavya Sodhaparmar studying in Sr.KG. we pleased to share our feedback about Shanti International School- Kadi.

I would like to take this opportunity to thank all the teachers for the efforts they are putting to teach our children. Preparing lessons, teach to children with proper understanding, making kids learn through fun, Indoor activities & Outdoor activities. Games, Music, dance those activities also were well planned and appreciated.

I specially thanks Sr. Principal Mrs. Shweta Mam & Principal Mr. Ravikanth Sir for those efforts to do better for children, I appreciate for organising cultural programs, festivals celebrations etc., to inculcate values among the students

SIS specially focus on those teaching style which helps the students for better understanding, modify student's behaviour, habits and all.

Also I am very thankful to Mrs. Rutuja Mam for working hard to teach in an innovative way which have a positive learning outcome among students..

I also appreciate SIS MCC application for all activities. Any time we check our child progress, daily activities, homework etc...

We are really feeling proud of all the teachers and the school as a whole.

We are very thankful to SIS team.

Regards

Sameep Prajapati
(Physical Education Teacher)

I am Sameep Prajapati Physical education teacher of SIS.

Physical education plays a very important role in the life of children, not only does it keep children physically and mentally fit but it also help them to perform well in academic s. me and my subject Physical education are very much liked by the children. Out of all the children I have taught during my teaching days the students of this school have a different interest in sports their keen interest toward any game make me love them.

SIS truly understands the meaning of teamwork. The relation between the teachers here is no less than a team. Coming here, apart from sports, I have gained knowledge about many new subjects from different teachers. Here we live like a family. Here each other gets a chance to grow. The headmaster here is like a elder brother to me his guidance have also helped me to grow and learn.

My sport and learning both enhanced during my tenure in SIS.

#Love teaching #Love SIS.

Thank you

Rashmika Patel
(Gujarati Mentor)

I, Rashmika Patel working as a Gujarati subject mentor at Shanti International School Kadi. It takes pleasure to tell that I'm a part of such a wonderful organisation. I feel proud that my son who is also studying in the same school. School organises various activities, trainings, celebrations which not only help me to understand but also helps me for the professional development. Progress of each and every child is well monitored and be informed the same to their parents regularly through PTM which helps the parents to take necessary measures for their child physical and mental growth. All the teachers are well qualified and maintained a good rapport with students and also explains the concepts in such a way such that students able to understand and perform well during assessment. I feel proud that I got an opportunity to share my thoughts about the school as I have been working here since 4 years and now the bonding I maintained here is like a family.

Thank You!!!
