Monthly Newsletter

MONTH - JANUARY | ISSUE - 05 | YEAR - 2023

FROM THE SENIOR PRINCIPAL'S DESK

Mrs. Shweta S Shivhare
Sr. Principal

"Don't just teach your children to read, teach them to question what they read. Teach them to question everything!" - George Carlin

The New Year is the perfect occasion to appreciate all the good things that the past year has given us and all the good things that are yet to come. In the last 365 days we have experienced beautiful moments that wouldn't have been possible without the support of each one of you. The New Year has brought another chance for us to set things right and to open up a new chapter in our lives. May this year bring new blessings, new happiness, new goals, new achievements and a lot of new inspirations in everyone's life.

It is the perfect time to set a goal and work on our inner strength. I would want our children to aim high and stay focused on what they would want to achieve in the long run. My goals for students are to be curious learners, be passionate about everything they do, be creative in their thinking, be able to work individually and in groups, be capable to look at problems from multiple perspectives and be lifelong learners.

In the month of January we conducted Periodic Test 2. We organised the Annual Sports Medals Felicitation ceremony, in which parents also joined the program and encouraged the children zealously. Festivals and other special days like Pongal - Makar Sankranti - Lohri, Indian Army Day, Road Safety Week and Republic Day, Youth Day were celebrated.

A special program for students of Grade VI to Grade VIII was organised and implemented in the curriculum - Awakened Citizenship Programme - By Ramakrishna Mission Organization.

We at wisdom tree, look forward to a long association with you all. Let us join hands in grooming the young minds so that they may walk to the path of life successfully.

FROM THE PRINCIPAL'S DESK

Mr. C Ravikanth Ohal
Principal

The journey of excellence lies in continuity of fragrance of nine gems doctrine of Shanti International School Kadi, even if it is academic excellence or art competition for students or their regular participation in activities to polish life skills. All this leads to a level to convert a potential student to a future leader.

There we are, doing the same all over again and again to ensure these students, though join in as strangers but they pass out as ambassadors always keeping flag of their identity fluttering high. Students enjoy learning and motivate others to study hard and efficiently. Their perseverance and commitment throughout the academic year is paid off and is quite clear from their excellent performance in their exams.

Like all the other month January is also filled with celebration, activities, competitions, examination etc.

CELEBRATIONS & ACTIVITIES

Road Safety Week :

Shanti International School Kadi celebrated Road Safety Week. It aims at making the roads and streets in India safer. Our Shantians shown the importance of Traffic signals and Safety rules to be followed on roads to avoid accident, the government spreads awareness about how to drive safely in order to avoid accidents and injuries. The event promotes work that everyone can do to stop the prevalence of needless deaths every day. This year, we are celebrating 32nd Road Safety Week and its theme is "Safe yourself to save your family"

National Youth Day :

National Youth Day, or Swami Vivekananda Jayanti, is celebrated on January 12 of every year. The Indian Government, in 1984, decided to celebrate the birthday of Vivekananda as National Youth Day. An essay on National Youth Day explains the purpose and significance of celebrating and dedicating this day to Swami Vivekananda and his principles.

National Youth Day is a special day dedicated to the youth. The day intends to promote understanding, appreciation and responsibility for young people. It promotes social engagement and supports education through activities, events, and celebrations. National Youth Day is observed every year.

Sankranti Celebration :

A flabbergasted festivity at Shanti International School Kadi campus!

Pride and festive cheer marked the Sankranti Celebrations held at Kadi campus. Shantians turned up in their exhibited joy and pride as they filled the campus with the land's cultural aura. We witnessed a plethora of programmes, Drawing, Dance, Music, Kite Making, Kite flying, Etc.

Teachers shared the importance of festival in different states with different names and even JCI representative came and made students to take an oath to avoid using Chinese treads for flying kites and will be helpful to the needy.

Ultimately, it is to teach children that traditions are to be revived, re-lived and embraced.

Awakened Citizenship Programme :

A three year graded value education programme for students of upper Primary & Secondary level is being run in collaboration with Ramkrishna Mission.

Mr. Darshan R - Regional Coordinator Gujarat Region has interacted with students and observed the learning taken place regarding ACP modules.

He even appreciated our students for being more interactive and good listener.

Awakened Citizenship Programme -

"Aims at empowering students in a real and tangible way by enabling them to stand on their own feet and help them develop as enlightened citizens with emphasis to help them integrate values in their lives and bring about a transformation from within rather than giving the students a set of do's and don'ts."

Army Day :

Shanti International School Kadi celebrated Indian Army Day to pay tribute and respect to all our soldiers who tirelessly working on the borders by protecting our motherland and helping us to sleep peacefully.

This day is celebrated every year on January 15 in recognition of Field Marshal K.M Cariappa as the first commander-in-chief of the Indian army. This year marks the 74th Army Day by honouring the selfless fighters of the country who have set the biggest examples by risking their lives for the motherland.

The Indian Army originated from the East India Company, which was known as the British Indian Army and later named the National Army after India's independence.

Annual Sports Competition Medals Felicitation Ceremony :

"Your dreams are what define your individuality. They have the power to give you wings and make you fly high."

To maintain the students' sportsmanship, enthusiasm and teamwork, Sports day Medals Felicitation ceremony was organised by Shanti International School Kadi on 13th January, 2023.

The felicitation was done by the parents to their wards as a part of encouragement to them. The event ended up with the positive feedback by parents who shared their experience regarding SIS Kadi

Republic Day and Vasant Panchami :

Shanti International School Kadi has celebrated the 74th Republic Day Celebration along with the Saraswati Vandana (Vasant Panchami)

"A NATION'S CULTURE RESIDES IN THE HEARTS AND IN THE SOUL OF ITS PEOPLE."

The 74th Republic Day of India was celebrated in the Shanti International School Kadi campus with a great deal of patriotic zeal and fervour in the presence Sr. Principal Mrs. Shweta Gupta. The day was being celebrated to remember the freedom fighters who laid their lives for the motherland. Percussion instruments have filled the atmosphere with great patriotic fervour. The children were also briefed about the significance of the day by dances & songs. The speech in English by Dhairya Patel from Grade VIII motivated the students further in instilling the spirit of patriotism within themselves.

Parents Teachers Meeting :

"Parent Teacher Meetings can play a very important role in a student's development and academic success by maintaining an open dialogue and comparing notes on the student's achievements, personality or behaviour."

Shanti International School Kadi strongly believes that connecting home and school is the best key to student success in the classroom. Teachers and parents can use these moments to establish a rapport and a partnership to develop a common goal that focuses on helping children have the best possible school experience.

Parent Teacher Meeting (PTM) was held today at SIS Kadi. The day went well and the parents appreciated the hard work of Teachers and school administration and also provided some fruitful suggestions.

Achievements:

Students from Grade 1 to Grade 8 have performed outstandingly in the SOF – IMO Exams and achieve Gold Medal of Excellence. Two students - Master Heet Patel (Grade 3) and Master Nakul Agarwal has qualified for Level 2 Examination of IMO.

PARENT'S TALK

**Mr. Sagar Tanwani and Mrs. Soniya Tanwani
(Parents of Preyansh – Nursery)**

We are the parents of Master Preyansh Tanwani studying in Nursery. We are so glad in making our opinion on Shanti International School.

We are satisfied by seeing the improvement and remarkable confidence level in our child's speaking skills and physical growth through various activities being conducted at school. We would like to appreciate the efforts of the class teacher, principal, and every single person who have contributed to make our child's future.

We are grateful to have Dipika ma'am as our child's class teacher who is working commendably and tirelessly to help our children develop in all areas as well as to have the hands on learning experience and also for being very supportive and caring.

Regards

PARENT'S TALK

**Chiragkumar Shankarlal Prajapati and Himani Chiragkumar Prajapati
(Parent of Hetwik – Grade 1A)**

We the Parents of Hetwik Prajapati studying in class 1A are pleased to share our experience at SIS. As been since last two years we can see our child's almost overall growth in his academics as well as other extra-curricular activities.

The Sr. Principal and Principal at SIS are very active in organising many activities, days celebration, conducting competitive exams like Olympiad exam with which we can get to know about our child's conceptual understanding about different subjects which is very appreciated.

I am also thankful to the teachers who are putting their efforts to make child understand the subjects in depth and make them to grow. It feel so good to see our child's growth and an environment where children has opportunity to develop themselves. SIS is that place I guess which provides equal opportunity to every students and I am hopeful that it will give more opportunities to learn and enhance their knowledge, more physical activities as well as brain boosting curriculum and practices.

Thanks and regards.

PARENT'S TALK

**Mr. Gurvinder Singh and Mrs. Avinash Kaur
(Parents of Livanshdeep Singh –Grade 1st B)**

We are the parents of Livansh Deep Singh studying in 1st B. We pleased to share our feedback about Shanti International School-Kadi.

I would like to take this opportunity to thank all the teachers for the efforts they are putting to teach our children. Preparing lessons, teach to children with proper understanding, making kids learn through fun, Indoor activities & Outdoor activities. Games, Music, dance those activities also were well planned and appreciated.

I specially thanks Sr. Principal Mrs. Shweta Mam & Principal Mr. Ravikanth Sir for those efforts to do better for children, I appreciate for organising cultural programs, festivals celebration etc. SIS specially focus on those teaching style which helps the students for better understanding, modify student's behaviour, habits and all.

Also I am very thankful to Radhika Mam for working hard teach in an innovative way which have a positive learning outcome among students.

Regards

PARENT'S TALK

**Mr. Mahesh Sharma and Mrs. Monika Sharma
(Parents of Vinti Sharma – Grade 3A)**

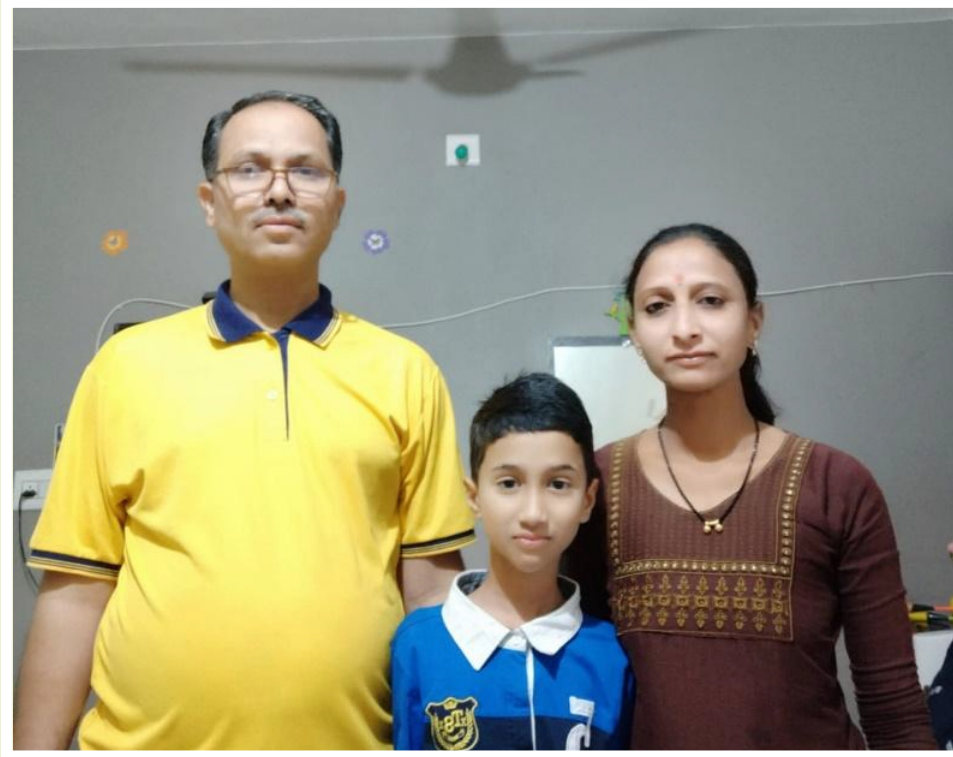

We are the parents of Vinti Sharma studying in Grade III at Shanti International School Kadi. We are pleased to share our valuable feedback regarding SIS Kadi. School environment is quite impressive where every student enjoys coming to school and learns new ways of learning and also diverse culture of our country through participating in different cultural events being conducted at school which helps the students to inculcate values in them. Our daughter enjoys and share what she has learnt in the school. School Management is not leaving a stone in nurturing the student's academics and non-academics performance.

We are happy with way our daughter is progressing day by day.

We also request the teachers to focus on LSRW skills while giving Home assignment as sometimes students show lack of interest to do the work at home.

We would like to show our gratitude to the School Management, Sr. Principal, Principal, Teachers and All other staff members for keep on updating us time to time irrespective of the activities, events, celebrations, feedback, etc.

PARENT'S TALK

Atharv Mahajan – 3A

I'm very happy to give my opinion for Shanti International School Kadi as it is a very good time for my son Atharv Mahajan who is studying in Grade III. I have noticed that our kid became more active now, he looks forward to going to school every day. He is enjoying his studies and various activities assigned in class or homework. After joining in this school he became more confident and disciplined boy. I found that he got much interest in reading. His personality is developing day by day.

The school environment and the whole school staff have contributed towards raising a more active and expressive child.

As a parent we found it worthy for the money we invested for his education. I'm very grateful to the Principal, Teachers and Admin and ground staff for bringing improvements in my son.

Regards

PARENT'S TALK

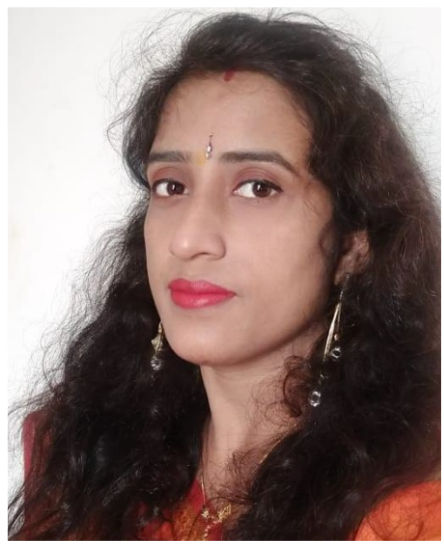

**Mr. Tejas Patel and Mrs Priyanka Patel
(Saanvi Grade-5 and Parv - Sr. KG)**

We are the parents of Saanvi Patel – Grade 5 and Parv Patel – Sr.KG who are studying at Shanti International School Kadi previously known as Little Angels School. We are thankful to all the teachers, Principal, and Management for giving us constant support and helps our children by nurturing to be a sound knowledgeable persons in their lives.

We have observed the differences in our child's learning abilities who is now independently do their works. The curriculum they follow amazed us at the initials days as most of the concepts were delivered by using different methods, strategies and approaches by inculcating values through activities. The curriculum which SIS follows is not limited to the knowledge of textbooks but they emphasis more on out of box thinking so that students starts thinking beyond the textbooks, this is what makes they are unique and best and also helps the students to gain a lifelong conceptual knowledge and motivates our child to do more. We strongly agree with SIS and their curriculum and teaching practices were best schools in terms of education

TEACHER'S TALK

Poonam Bhati
ICT Mentor

I Poonam Bhati working as a ICT Mentor at SIS, Kadi.

"Our vision is to educate, innovate empower to become global citizen". According to UNESCO(2002), "ICT is a scientific, technology and engineering discipline and management technique used in handling information, it's application and association with social, economic and Cultural matter. For me, the most attractive aspect of technology is problem solving. Problem solving is a challenge I have always loved – from completing puzzles at home to programming at university.

I am a huge fan of computers; my computer is a vital part of my work. I believe computer literacy is as important for our children to acquire as any other "basic skill". I have taken up teaching after a long innings in the IT industry, primarily because it is one of the most gratifying professions. As a technology teacher, you give each generation of students the edge they need to compete in an increasingly technological world, who will soon be developing future technology for the next generation of students.

Computer and its related technology have completely revolutionized our lives.

In the present scenario, technology has become the new essential and a must have in an education world. Online classes are the new norm. Web meetings are the new hashtags ruling our lives. At SIS, we believe that children must be taught how think, not what to think. SIS provides an inclusive environment where students are encouraged to put their best foot forward to achieve academic, sporting and social excellence. In technologically, changing fast world the school promises to keep up the places benefiting both students and teachers by deploying smart classes, smart computer learning and regular teacher training workshops.

I am proud of my school for providing us conducive work environment, infrastructure, use modern technology and freedom to experiment.

"Education is what remains after one has forgotten what one has learned in school".

TEACHER'S TALK

Kush Patel

Hello everyone, this is Kush Patel .

I am working as a Dance teacher at Shanti International School Kadi.

First of all when I went to this school I have so many questions like how's is staff members and other things. But on my first day I resolved my all things. SIS is the great school and also have a great teachers, staff and positive environment.

Thank you.
